Partner

We are proud to be a Zentia Pinnacle Approved Partner, trained to the highest standards in Zentia products and installation so that projects can be completed quickly and efficiently. With regular training and access to Zentia's partner network, we're fully up to date on best practice and product innovation. With exclusive access to Zentia's Pinnacle Partner Recycling Scheme, you can be confident your ceiling systems need not end up in landfill.

Through working with Zentia and their distributor partners, we are proud to be able to access a market leading range of Zentia products and collaborate on key industry challenges and opportunities. All our installations are supplied with a 30-year system warranty. *
